

REGULAR MEETING NOVEMBER November 10, 1992

Present: None

Absent: Donald White Joanne Strahm
 Marcia Strong Tom Totten
 Maria Foerster Don Voorheis
 Larry Russell

Six residents were present.

The regularly scheduled meeting for November 10, 1992 was not called to order due to two factors:

1. The township clerk and the township treasurer had submitted their resignations, effective October 31, 1992, and would not be present.
2. Supervisor Donald White and Trustee Tom Totten informed the township that they would not be able to attend.

Because of these two factors the other township trustees were notified that a quorum would not be present, and no township business could be conducted.
